CHIRAD, the British Computer Society Health Informatics Forum (BCSHIF), the IMIA OSWG, the EFMI LIFOSS WG and the IMIA-NI OSNI WG will all be working together to co-sponsor and deliver the EFMI Special Topic Conference (STC) on open source in health care in 2008. The STC2008 will be held in central London, UK, on September 10-11, with an opening reception on the evening of September 9. The website for the event, with full information, is at:
