CHIRAD.ORG - the CHIRAD portal CHIRAD changes - CHIRAD is changing and moving. Watch out for updates.

CHIRAD is the Centre for Health Informatics Research and Development.

Our aim is to provide an environment for the development of Health Informatics as an academic subject. CHIRAD is a company limited by guarantee that is a non-for-profit organisation. It is probably the first virtual R&D centre for Health Informatics.

CHIRAD is proud to be an Academic Institutional member of IMIA, the International Medical Informatics Association (www.imia.org), and is the first Institutional member of EFMI, the European Federation for Medical Informatics (www.efmi.org)

This site will be the portal to the other CHIRAD websites. Contacting CHIRAD
