Dr Polly Burch
- M.B. B.S.

Polly qualified as a doctor from St Georges Medical School in 1997. She did house jobs in Croydon and Crawley and then went into G.P.V.T.S. in Swindon. For three years she worked in general adult, old age and adolescent psychiatry.

In 2001 she decided to try her talents in different areas and became a counsellor for adolescents on a voluntary basis for Swindon council.

Polly is currently on a data project for CHIRAD in a general practice.
